

# TROOP 23 PARENT PARTICIPATION

Name \_\_\_\_\_

We take great pride that Troop 23 is a Boy-led troop with support and guidance from our Adult Leaders. In order to provide the best possible program, the boys need support from all parents in our Troop. Where can you help?

**Attend a Campout or Outing**

*Note: There are always roles for parents that do not involve the biking or hiking on an outing. Try one! We are asking for a parent from each family to consider attending an outing during the year.*

**Boards of Review**

*Takes place during regular Troop meetings. We need enough adults present so a boy can complete this step in his rank advancement when he is ready. The greatest need is in the weeks just preceding a Court of Honor.*

**Troop meetings/Activities**

*Assist in activities as needed*

**Recruiting events**

*Still have a younger child in Cub Scouts? Be the contact from Troop 23 to your Pack. Volunteer for WOW weekend with Troop 23 or our fall recruiting event with Webelo scouts*

**Hospitality**

*Serve and refreshments at an Eagle Court of Honor or Ice Cream at the Spring Court of Honor*

Adults in our Troop support our boys by chairing the following positions.  
The positions below are currently open or are looking for a replacement for 2012.  
Find a partner and share a role.

**Adult Training Coordinator** – Monitor Training Needs such as Youth Protection and Send email Reminders as needed

**Chaplain** – Work with Chaplain Aids to help them create Scouts Own program for outings and Court of Honor

**Outings Coordinator** – **Looking for someone to shadow Jeff and take over next year**

This is a vital need for our Troop.

**Fund Raising Coordinator** – **Looking for someone to shadow Mary Jo and take over next year**

Easily done at home.
