

Troop 23
Summer Camp 2009
Napowan Adventure Base
July 12 - July 25

Join Troop 23 at Napowan Adventure Base for a summer camp experience that you will not forget.

Set in northern Wisconsin, this camp offers many exciting activities in a beautiful 400 acres, heavily wooded setting that includes 2 lakes.

Here the troop will spend two weeks learning new things, earning merit badges, making new friends and enjoying the company of the other members of the troop.

Boys attending the camp can work with certified counselors to earn merit badges. Some of the merit badges offered include:

- Swimming
- Canoeing
- Sailing
- Lifesaving
- Archery
- Rifle Shooting
- Shotgun Shooting
- Orienteering
- Wilderness Survival
- Environmental Science
- Forestry
- Astronomy
- Fishing
- Geology
- Space Exploration
- Leatherwork
- Basketry
- Metalwork
- Pottery
- Theater
- Music
- Public Speaking
- And many more

Additionally, boys can spend their free time in any of these areas trying out new skills such as rifle shooting or canoeing, or just having fun with familiar activities such as swimming or fishing.

Troop 23 members camp in tents in our own campsite in Camp Napowan. All meals are served family style and are taken in the community dining hall along with all the other troops.

Summer camp rates:

Two weeks - \$480.00

One week - \$285.00

We highly recommend that boys stay at camp for the full two weeks. However, we realize that this isn't always possible, so we also offer a 1-week option.

For more information about attending summer camp, contact:

Beth Dukes 847-590-5169
Kathy Ehret 847-394-5060
Summer Camp Committee

Special Troop 23 Activities:

Troop 23 is one of the few troops that remains at summer camp for 2 weeks.

This gives us the opportunity to do something special with the boys.

Saturday Water Park trip - On the Saturday between the two sessions, all the boys spend the day at the water park and enjoy swimming, sliding and just having fun. Afterwards, the troop enjoys a pizza party at a local restaurant.
